

Hopkinsville Kentuckian.

VOL. XXVI.

HOPKINSVILLE, KENTUCKY, TUESDAY, MAY 31, 1904.

NO. 42.

CAIRO COMING.

Egyptians Will Play Three Games With Local Team.

The Paducah Club Will Follow in a Series of Games Here.

The Cairo Club of the K. I. T. league will play here this week with the Hopkinsville team. Three games are scheduled, beginning Thursday afternoon. This will be Cairo's first visit here since the opening of the present season and large crowds will doubtless attend these games. Paducah will follow Cairo, playing here next Monday and Tuesday.

The games between Henderson and Hopkinsville, played here Friday and Saturday, were both won by the visiting team, but the last game of the series was different, the local club being victorious. The third game of this series was played at Henderson Sunday. The score was 4 to 3 in favor of Hopkinsville. Two members of the local team, Morris and Manager Armstrong, were spiked and disabled. Morris had a ankle badly hurt and the injury may lay him up several weeks. Manager Armstrong's injury was not of such a serious nature, but he will not be able to participate in the games for several days.

Paducah defeated Cairo Thursday and Clarksville won over Henderson. On Friday Cairo again lost to Paducah, and Clarksville won from Vincennes. In the latter game the score was 20 to 7. On Saturday Vincennes defeated Clarksville, the score being 10 to 5. The same day Paducah won from Cairo. Score 5 to 4.

The stockholders of the Hopkinsville Baseball Association in the following directors: R. Holland, W. M. Hancock, Rankel, S. J. Samuel, W. H. Higgs, Jr., and John Stites. Brock was re-elected president of the directors. Mr. Frank Rosen secretary and treasurer.

CUMBERLAND SUED.

Other Suits Filed For June Term of Court.

Friday was the last day for filing suits for the June term of Circuit Court.

M. D. Boates sued the Cumberland Telephone and Telegraph Company for \$1,000 damages. He alleges that while he was en route home from Cleveland, O., with a sick son, he made an effort to telephone from Guthrie to this place and deposited the toll in the Guthrie receptacle, as requested, but the defendant failed to give him proper connection.

Robert Griffey, as next friend of Frank Howard, a minor, has sued the Louisville and Nashville Railroad Co. for \$5,000 damages for alleged personal injuries sustained by being struck by one of the defendant's train in the yards here.

Mrs. E. W. Morrow sues the Crescent Milling Company for \$5,050 damages, and plaintiff's daughter, Miss Fannie Morrow, also filed a similar suit for \$2,050. The plaintiffs were injured in a runaway accident, in January last, and allege that noises carelessly made by the defendant's employees caused their horse to become frightened and run off.

Several divorce suits were filed. The docket for the June term is a large one. There are a number of causes continued from the spring term of court.

INSURANCE ADJUSTED.

And New Plant to be Erected at Once.

The insurance on the Electric Light plant has been satisfactorily adjusted. The company will now proceed immediately to erect a new plant and the city and citizens will be furnished with lights as soon as possible.

Commencement Exercises.

Next week will be commencement week of South Kentucky College; the final exercises being held on June 10. This will be the last of the schools to close.

HIGH HONOR

Comes to Col. Jouett Henry By Unanimous Vote.

COL. JOUETT HENRY.

Lieut. Col. Jouett Henry, of this city, was elected Colonel of the Third Regiment of State Guards at a meeting of the several companies of the regiment Friday night. His promotion was by unanimous vote, as he was in line of promotion and had no opposition. His election creates a vacancy in the office of lieutenant colonel, which will be filled later.

Col. Henry is mayor of Hopkinsville, and one of the city's most prominent citizens, who has for many years been very active in State military affairs. He is very popular with the officers and men alike and will in every way make a worthy successor to the late Col. T. J. Smith.

SENATOR QUAY

The Pennsylvania Machine Leads, or a Victim of Gastritis.

Beaver, Pa., May 28.—Matthew Stanley Quay, senior Senator from Pennsylvania, died peacefully this afternoon of chronic gastritis. The funeral will be held on Tuesday, May 30, and the body will be buried in Beaver cemetery. He was 70 years old and had been in office almost constantly since 1886. He was serving his second term in the Senate. For 25 years he had been leader of machine politics in his state.

EGGLETON-NICHOLS.

Hopkinsville Couple Have Nuptial Knot Tied in Nashville.

Mr. Chas. A. Eggleton, son of Mr. J. H. Eggleton, and Mrs. Bernice Nichols, daughter of Mrs. M. K. Blythe, were married in Nashville Thursday night. The young people returned to Hopkinsville Friday morning and will board with the bride's mother, on Cleveland avenue. Both young people are well known and quite popular.

CLARK-WOODRUFF.

Christian County Couple Married in Springfield, Tenn.

Married, on Monday night at Porter Hotel, one Mr. Leonard Clark to Miss Tiny Woodruff, Rev. Scala, of this city, officiating. The bride and groom were from Hopkinsville, Ky., to which place they returned immediately after having the ceremony performed.—Robertson County News.

KNIGHTS OF PYTHIAS.

Semi-Annual Election of Officers Thursday Night.

Evergreen Lodge No. 38, Knights of Pythias, at their regular meeting Thursday night elected officers for the ensuing six months. Representatives to Grand Lodge, which meets in Louisville in August were also elected. The officers chosen were:

Chancellor Commander, Herbert Haydon; Vice-Chancellor, A. M. Coleman; Prelate, Ellis Roper; Master of Works, L. F. Atkinson; Master at Arms, Edward Clark; Inner Guard, J. G. Brown; Outer Guard, G. E. Bradley.

The members chosen to represent the lodge at the meeting of the Grand Lodge in Louisville in August were Messrs. Green H. Champlin, W. C. Wright, Lucian H. Davis and Col. Jouett Henry.

Evergreen lodge is one of the leading orders of Pythians in Kentucky, and is now in the most flourishing condition since its organization in this city. Recently a very large number have been added to its membership and new members are being added at every meeting. The membership now exceeds that of almost any secret order in the city. A Uniform Rank has recently been organized which is progressing nicely with a good number of members. Meetings are held twice a week by the Uniform Rank and are well attended. It is the intention of the local lodge to make a big showing at the meeting of the Grand Lodge at Louisville.

GOOD SHOWING MADE.

Of Twenty-six Applicants Only Six Failed.

At the examination May 20 and 21 for white teachers' certificates to teach in the public schools of Christian county, six first class certificates, ten second and four third class were issued. There were 26 applicants, and only six failed. At the colored examination last Friday and Saturday there were twenty-eight applicants. Their papers will be graded this week.

LIEUT. N. B. RILEY

Has Finished the West Point Course With High Honors.

Cadet Napoleon B. Riley, of this county, who was appointed to West Point four years ago, has just graduated with high honors, with the rank of Second Lieutenant. He distinguished himself in school and became not only a leader in class work but an all round athlete who broke many records in physical prowess.

Lieut. Riley will arrive home June 18 on a furlough and will visit his father, Capt. J. W. Riley, at Newstead. He will then be assigned to active army duty at a salary of \$2,600 a year, the pay of officers of his grade.

GOOT THE DOUGH.

Thief Makes a Haul on Mr. McGinnis' Refrigerator.

A thief opened a refrigerator belonging to Mr. Charles McGinnis, on East Seventeenth street, Sunday night, and carried off several pounds of butter, a lot of cooked meat and some dough which had been prepared for breakfast.

SUMMARY OF SALE.

Grangers Hold Their Annual Sale at Church Hill.

Day An Ideal One—Stock in Order, And Prices Satisfactory.

The Grange sale at Church Hill last Friday was fairly well attended, considering the threatening condition of the weather in the morning. AWARDED CONTRACT.

New Jail on New Site to Cost \$18,500.

The jail committee of the Fiscal Court on Saturday purchased a lot on Weber street, south of the present jail site and just west of the court house, and let the contract for a new jail and jail residence. The lot is 81 feet front and cost \$1,600. The contract was let to the Pauly Jail Building Co., of St. Louis, for \$18,497.50. Will M. Landrum & Sons, of Mayfield, are general agents and represented the company. The plan to use the old jail in constructing the new one was abandoned. The work will begin at once, and be completed by October 15.

CHANGES AT ASYLUM.

New Plan From Owensboro Brother-in-Law of the Governor.

Judge C. E. Emery, of Paducah has resigned the position of receiver in the Western Asylum, to which he was appointed a year ago, and has returned to Paducah. The vacancy has been filled by the promotion of Mr. B. E. Smith, Jr. Board's private secretary, to the position of receiver. The vacancy in the private secretaryship has in turn been filled by the appointment of Mr. Thos. Furqua, of Owensboro, a brother-in-law of Gov. Beckham.

BODY EN ROUTE.

Dr. John O. Rust's Funeral Will Be Friday or Saturday.

The body of Dr. John O. Rust was started from Seattle, Wash., Sunday, the delay having been occasioned by a wait for the arrival of Mrs. Rust's brother, who will come with his sister from the West. The trip will take at least five days and the funeral exercises here cannot be held before Friday and it may be Saturday.

N'O GRADUATES

This Year From the Hopkinsville Public Schools.

The Public Schools of Hopkinsville will close the present session Friday with exercises in the various rooms. The addition of a fourth year in the high school course has prevented a graduating class for 1904. There will be no graduates and no public exercises, except in the school rooms.

A Prolific Luck.

Mrs. J. P. Peyton, of Pembroke, Ky., has a Pekin duck that began laying early in the spring and by actual count to May 24 had laid 79 eggs, without any signs of becoming broody. Mrs. Peyton has hatched out a large flock of young ducks from the eggs of the one female.

Mr. Weston Ill.

Mr. Lewis Weston has been very ill for several days, at the home of Mrs. Julia Baker, near Julian. He is suffering from locked bowels, but was reported better yesterday.

Democratic Ticket.

FOR CONGRESS,
HON. A. O. STANLEY,
of Henderson county.

ANNOUNCEMENT.

We are authorized to announce
W. L. PARKER
As candidate for Magistrate in the Third
magisterial district, subject to the action of the
Democratic party.

The Presbyterian General Assembly of the United States declared in favor of union with the Cumberland Presbyterian Church by a vote so nearly unanimous that it was not counted.

The Liberty Bell will leave Philadelphia Friday, June 2, and will reach St. Louis Fair Wednesday, June 8. Various stops will be made for the benefit of sightseers along the route.

The Democratic county convention next Saturday will be called to order at two o'clock by Chairman James West. Let the Democrats attend and show interest in the approaching campaign.

The Methodist General Conference at Los Angeles, Cal., voted unanimously to amend the constitution so as to permit the election of negro bishops.

The Home Telephone Company are now placing their phones in the business houses and residences of the city and it will not be a great while until the citizens of Hopkinsville will have the satisfaction of having a telephone that will give them a quick and secret service.

The Home Company bought and owns the only telephone franchise in the city and have put in the most modern system in our state, and for these reasons, the citizens of our city will, beyond all doubt, patronize almost exclusively, the service furnished by the Home Company.

Gen. Jas. N. Tyner and H. J. Barrett, tried for conspiracy to defraud the postoffice department at Washington, were acquitted. Gen. Tyner wept while giving his testimony.

Latham, Alexander & Co., of New York, in their May report on the cotton crop, estimate the 1904 crop at 31,248,530 acres, an increase of 7 1/2 per cent over 1903. The prospects are far more promising than at this time last year.

Wm. Nelson Cromwell received \$2,000,000 as his fee for selling the rights of the Panama Canal Company to the United States. Jas. D. Dill and Wm. D. Guthrie are two other lawyers who are credited with having received \$1,000,000, Dill for settling the dispute between Carnegie and Frick and Guthrie for breaking Henry B. Plant's will for his widow, by which she made \$6,000,000. There are 114,702 lawyers in the United States, but a majority of them take smaller fees than \$1,000,000.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by the inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Since the death of Sir Henry M. Stanley, on May 10, perhaps nothing that has appeared in print so summarizes the work accomplished in Africa since Stanley's explorations began as does the article in the Review of Reviews for June by Mr. Cyrus C. Adams, the geographical expert. The remarkable changes of the past thirty years in the map of Africa are clearly set forth, and the world's debt to the intrepid explorer is graphically described.

The second trial of the Lawrence Willis murder case in Trigg county last week resulted in a hung jury. Seven were for conviction and five for acquittal. Willis is under indictment for the murder of his uncle, Lieut. W. B. Johnston. He was convicted and given a life sentence at the former trial which the court set aside. Judge Cook sat in the case this time over the protest of Commonwealth's Attorney Smith, who attempted to swear him off the bench, alleging in an affidavit that he was not in a position to give the Commonwealth a fair trial. The Judge would not let the paper be filed.

Senator McCrory, Congressman Keoke and a number of other Democratic leaders held a conference at Lexington last week at which the candidacy of Mr. Keoke for chairman of the state central and executive committee was launched. After the meeting Mr. Keoke stated he was in the race to stay, and that he believed he would win. The issue was now squarely joined between McCrory and Keoke, with presidential preferences cutting but little figure.

The failure of Ohio to give encouragement to Mr. Hearst's hopes has made it evident to even his strongest supporters that he cannot win at St. Louis and his withdrawal from the contest would not create surprise.

Indications now point to an "agreed case" in the coming State convention, by which all factions of the Democratic party will act together, in the State convention as well as in the counties. There seems to be no indications of discord anywhere. The anti-administration and the administration factions have evidently agreed upon Blackburn, McCrory, Beckham and James as the delegates at large. As Olie James is classed as an administration man, this is an equal division of the highest honors. The delegation will in all probability be uninstructed.

Verona Fleenor, under sentence of death in the Butler county jail, for killing his wife, committed suicide. He hanged himself with a bed cord.

SCHOOL BOOKS

Will be Passed Upon By County Board Tomorrow.

Judge Fowler, County Attorney Anderson and Superintendent of Schools, Miss McDaniel, met Saturday to select books for state adoption. The books chosen by a majority of the counties will be used.

The houses furnishing samples are: The Silver-Burdett Co., of New York; American School Book Co., of Cincinnati; the National Publishing Co., of Louisville; and the Globe School Book Co., of New York. The American Book Co., is the only one that furnished a complete set of all books. This company substitutes McGuffey's readers for Baldwin's and Ray's arithmetic for those now in use. The reason given is that they are cheaper books, which the reduced prices make necessary.

The county boards have 30 days to make their reports to the State board. The board will convene again to-morrow and select the books.

HALF CROP.

Christian County Farmers Will Cut Short the Acreage.

The recent rains produced a good tobacco season over most parts of the county and the farmers are quite busy setting plants. Plants are scarce in some sections and many beds are late. From the best information obtainable there will not be more than fifty per cent. of a crop put out in Christian county.

LIFE AT DAWSON.

Arcadia Hotel Rapidly Filling Up With Guests.

Dawson Springs, the famous health and pleasure resort, is now rapidly becoming the Saratoga of the South and guests from every section are beginning to arrive for the season of 1904. The Arcadia Hotel is now beginning to fill up and a hundred or more applications for rooms are now on file. Mr. Holman, a few days ago, informed a Kentuckian representative that he is now prepared to accommodate comfortably one hundred and fifty guests. The building was some months ago enlarged and is now perfect in detail, no appointment of a modern, high class hotel having been neglected.

The waters are the best of their kind in the world, the place is easily accessible, and the Arcadia is open the year round and people who visit Dawson can now live in luxurious style. There is no place on this continent where the waters are more efficacious in stomach, liver and kidney diseases. If you ride or drive, there is an excellent livery, and there are a dozen or more interesting points within an hour's ride. There is also good fishing near by, and, in season, good shooting. When you visit Dawson stop at the Arcadia and you will be happy. See ad elsewhere in this issue of the Kentuckian.

Why did the Cumberland Bell Telephone Company ask for a franchise to be sold and then refuse to buy it? Think this over very carefully.

TEDDY PLEASED.

President Compliments a Preacher the Father of 13 Children.

Middlesboro, Ky., May 25.—The Rev. James Russell, of Claiborne county, Tenn., is the father of thirteen children, ten boys and three girls. Recently a friend of the Russells wrote to President Roosevelt the facts. Yesterday Mr. Russell received an autograph letter from the President, congratulating him, and stating that such fathers and mothers were the hope of the republic. Mr. Russell is 54 years old and Mrs. Russell is 50.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmor's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmor, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmor's Swamp-Root is not recommended for every thing but it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmor & Co., Birmingham, N. Y. The regular fifty cent and some of Swamp-Root, dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmor's Swamp-Root and the address, Birmingham, N. Y., on every bottle.

DIED IN GEORGIA.

Body Brought Here and Interred Sunday.

Miss Sudie May Hall, daughter of Mr. Andrew Hall, formerly of Hopkinstonville, died Friday morning at her home in Atlanta, Ga. She was 23 years old and had been ill for about a year. Death was caused by consumption. She was a young woman who was quite popular with all who knew her and her boat of friends in Hopkinstonville will learn with sincere regret of her demise. She was a member of the Methodist church.

The remains arrived in this city Sunday morning at 9:45, accompanied by her father, and were laid to rest in Hopewell cemetery.

Funeral services were held at Atlanta Saturday and Dr. E. L. Southgate, of this city, conducted a short service at the grave.

GREAT BATTLE.

Japanese Victorious But Lose 3,500 Killed and Wounded.

No Reliable News Given out From Russian Sources, Japs Marching on Port Arthur.

St. Petersburg, May 28.—There is now no attempt here to disguise the fact that the successful forcing of Nek Kwan Tung Peninsula proper, puts practically an end to the resistance to the enemy until the Japanese reach the actual fortifications around Port Arthur.

Although there are many strong positions before the Perimeter fortress is reached the authorities admit that the Russians can offer little resistance and must now retire within the fortress and undertake to defend themselves against the siege.

Neither the admiralty nor the general staff has any direct information. They are dependent entirely upon the enemy for news.

Second Line Taken.

Paris, May 29.—A Tokio correspondent says the second line of defense on the Luo Tung peninsula has been occupied by the Japanese without resistance. The authorities expect, the correspondent adds, that Port Arthur will fall during the second fortnight in June. A correspondent at St. Petersburg says that naval officers there believe the battleship Ortel will be a total loss. Her keel is split.

Jap Losses 3,500.

Tokio, May 29.—The Japanese casualties at Nan Shan Hill are now estimated at 3,500. The number of Russian guns captured exceeds several.

THE FIGHT IN DETAIL.

Conflict one of the bloodiest in History of Modern Arms.

Tokio, May 29.—The Japanese assault on Nan Shan Hill was one of the fiercest and bloodiest affairs in modern warfare. In the earlier rushes of the engagement every man participating was shot down before he reached the first line of Russian trenches. It was found necessary to stop these infantry charges and renew the artillery fire from the rear before the final and successful assault on the Russian position could be made. The success of this assault was brought about by one detachment of Japanese troops more intrepid than their comrades, who succeeded in piercing the Russian line. A splendid stroke of fortune was the discovery and destruction by the Japanese of the electric wires leading to the mines at the eastern foot of Nan Shan Hill. This prevented the Russians from exploding these mines when the Japanese infantry crossed the ground where they had been placed. It is possible that the fortune of the day hinged upon these mines. If the Russians had been able to explode them at the right time the losses among the Japanese troops would have been tremendous, and it is possible also that the Russians would have been able to hold the hill.

Nan Shan was splendidly defended. Nearly fifty guns of various sizes were mounted on the various emplacements and there were also two batteries of quick-firing field pieces. The artillery was sheltered behind loop-holes trencched on the terrace of the hill. The infantry manning the field pieces ran with them around the hill, thus using these guns for the protection of the most important points.

The Japanese began the fight by bringing all their field guns into action and concentrating their fire on the emplacements on the hill. By 11 o'clock in the morning the principal Russian batteries had been silenced. The two Russian field batteries then withdrew to Nan Shan Ling hill and from there continued to fire on the Japanese until nightfall.

The Hopkinstonville Baseball Association filed articles of incorporation with the Secretary of State last Friday. The capital stock is \$15,000.

THE AENEAEUM

Will Hold June Meeting on Thursday Evening.

The June meeting of the Aeneaeum will be held at Hotel La Ham Thursday night. It will probably be the last held until September. The only paper will be read by Dr. K. L. Woodard on "Sanitary Needs of Hopkinstonville." Dr. Woodard being city health officer, is the man of all men to handle this important subject.

The T. C.'s Good Move

EDITOR KENTUCKIAN: Although you have already published the change in the time table of the Tennessee Central railroad, by which we get a day express train, into Hopkinstonville at 1:01 p. m. and one out at 4:00 p. m., it would not be amiss to remind your readers that Mr. G. A. Clark, the general manager of the road, put this train on in response to a direct request from the people of Hopkinstonville and vicinity and in order to accommodate those desiring to use the road in coming in to transact business in the city. It was a considerable thing for Mr. Clark to do and we are beginning to realize now that the T. C. is in fact one of our roads and the people along its line can come to town any day they may choose, rain or shine, and not have to make a whole day of it. A great deal of business can be done in four hours. G. C. L.

A Suggestion.

Since Makoroff Was taken off, A victim of the war, And Alexieff Has come to grief By order of the Czar, If Skrydloff Should shuffle off, And to oblivion go, Then what would Ku-Ropatkin do? That's what we'd like to know. Perhaps he might at last get wise. And call on Forbes for his supplies.

Association Adjourns.

The South Kentucky Christian Sunday School and Missionary Association, which was in session at Corydon last week, adjourned Friday. Elder H. D. Smith, of this city, was elected treasurer for the ensuing year. Hopkinstonville was selected as the next place of meeting.

Which telephone company is doing business legally in our city? Think it over carefully.

CANCER OF STOMACH

Causes Death of Gracey Woman At Cadiz.

Cadiz, Ky., May 28.—Mrs. Lizzie Edwards Watkins, wife of Mr. Gipp Watkins, a prominent citizen of Gracey, died here at the home of her parents, Mr. and Mrs. J. E. Edwards, of cancer of the stomach. The deceased was thirty-five years old and a member of the Methodist church. She was a most excellent woman and had only been married about two years.

The interment took place in East End cemetery.

8 Cents

Eight cents a pound is what a young woman paid for twelve pounds of flesh.

She was thin and weak and paid one dollar for a bottle of Scott's Emulsion, and by taking regular doses had gained twelve pounds in weight before the bottle was finished.

Eight cents a pound is cheap for such valuable material. Some pay more, some less, some get nothing for their money. You get your money's worth when you buy Scott's Emulsion.

We will send you a little free.

THE SELLS & DOWNS SHOW

Makes a Big Parade—Crowds View It and Are Well Pleased.

The parade of the big Sells & Downs Show this morning was witnessed by the usual throngs of curious and happy-hearted people. A large number of women came from the surrounding country. The big parade proved an interesting and attractive sight. The gilded cages, open dens of wild animals, dancing, prancing steeds, gaily caparisoned, handsomely attired acrobats and performers generally, mounted on splendid animals, chariots, bands, elephants, camels and everything that was advertised, made a bright and beautiful display, a cavalcade of unquestioned merit. The horses attracted the particular attention of those who love well groomed and fine animals of the kind that Sells & Downs own.

The afternoon show was in every way a highly entertaining one. There was not a poor feature introduced. The wonderful Elliott family of acrobats won distinctive praise for their high-class work. The family is composed of a grandfather, sons, daughters, and grandchildren. The youngest son, over four years, The Martell family came in for special recognition and the tricks they do on the bicycle are simply wonderful. The Earl sisters, in graceful and difficult acts on the trapeze, Miss Kittie Kruger in thrilling bareback act: the tumbling and leaping were all up to date and marvelously perfect. The clowns, and there were many, created any amount of clean fun. The Sells & Downs Shows are well worth seeing.—Ex.

This big show will be in Hopkinstonville next Tuesday, June 7.

UNDER PRESENT PLAN

Tennessee Central Receiver Will be Discharged This Week.

The general counsel for the Tennessee Central railroad sent out drafts Saturday, covering the numerous outstanding obligations of the road. In round numbers the drafts aggregate \$300,000. This will not entirely cover the road's indebtedness, but represents all accounts that have been received and checked up as correct. Just as soon as the other statements are received they will be adjusted and drafts sent to cover.

An order has been drawn, asking for the discharge of Receiver W. J. Oliver and it is expected that all matters will have been so arranged that the receiver can step down and out this week.

UNION STEPS.

General Assembly Frames the Plans for Uniting.

Buffalo, N. Y., May 28.—The Presbyterian general assembly, brought its annual session to a close tonight. The session, it is thought, will be a prelude to a union of all branches of the Presbyterian denomination in the United States. The question of union will be submitted to the various presbyteries and on approval by the two-thirds plan, the union will be consummated.

TYPHOID FEVER.

A Recent Valuable Discovery May Stop the Ravages of Disease.

A bulletin has just been issued by the Department of Agriculture at Washington, calling attention to a discovery made by Dr. George T. Moore, who is in charge of the laboratory of the plant physiology, and his assistant, Mr. Karl K. Kellerman.

The discovery is said to be of vast importance, as it is claimed that, with a certain solution of sulphate of copper, all forms of animal life in water can be entirely annihilated, and yet the quantity is so infinitesimal as to be entirely harmless to man and absolutely unobtainable to the taste.

The greatest hope is placed in it as a preventive of typhoid fever and for cleansing reservoirs and pools of stagnant water.

The department will experiment further with Dr. Moore's solution before announcing the results, but they are very sanguine at present that it may do all that is claimed for it, and that the ravages of one of our deadliest diseases may be stopped.

KICK AND SCREAM

Baby's Awful Suffering from Eczema.

Could Not Hold Her. She Tore Her Face and Arms.

Cuticura Saved Her Life, So Mother Says.

"When my little girl was six months old, she had eczema. I used all kinds of cold creams and all kinds of remedies, but nothing did her any good, in fact, she kept getting worse. I used to wrap her hands up, and when I would wash her, I had to hold her on the table for I could not hold her. She would kick and scream, and when she could, she would tear her face and arms almost to pieces. I used four boxes of Cuticura Ointment, two cakes of Cuticura Soap, and gave her the Cuticura Resolvent, and she was cured, and I saw no traces of the humor left. It was cured, and there has been no return of the disease since, and I have advised a lot of friends to use the Cuticura Remedies in all diseases of the skin."

Instant relief and refreshing sleep for skin-tormented babies, and real for dried, fretted mothers, in warm baths with Cuticura Soap and gentle anointings with Cuticura Ointment, the great skin cure and parent of emollients, to be followed in severe cases by mild doses of Cuticura Resolvent. This is the purest, sweetest, most speedy, permanent and economical treatment for itching, burning, scalding, bleeding, scaly, crusted and pimply skin and scalp humors, eczemas, rashes, and irritations.

Sold throughout the world. Cuticura Resolvent, (in form of Chamberlain's Colic, Cholera and Diarrhoea Remedy), and Cuticura Soap, are sold by all druggists and dealers. Send for "Cuticura Book."

McDonald Jury Was Out Three Hours and a Half.

Bedford, Ind., May 27.—After being out three hours and a half, the jury in the trial of James McDonald, charged with the murder of Miss Sarah Shafer, at 9 o'clock this afternoon returned a verdict of not guilty. It was decided before-hand that the court house bell would not be rung when the verdict was returned, fearing that a mob might be formed. McDonald was brought into the court room in a round about way. The court room was filled with those who had waited all day for the verdict.

MANY SHOWERS

In June and Some Hard Rains
Promised.

Numerous Storm Periods and Tem-
perature Will Be High Through-
out the Month.

June forecasts, as figured out by
Hicks, are as follows:

June will open with high tem-
perature, with rain and thunder from
1st to the 3rd. Rising barometer,
change to westerly winds, clearing
and cooler will supplant and follow
the storm area. The change behind
the storm passing eastward across
the country from 3rd to 5th.

From the 4th to the 9th look
for rising temperature, with storms of
rain, wind and thunder.

About 10th and 11th may be ex-
pected thunder storms, general and
excessive sheet lightning, volcanic
disturbances and seismic phenom-
ena.

A reactionary storm period will
be central on the 12th and 13th.
The temperature will rise greatly
and the period will be one of great
electrical storms.

The next storm period is central
on the 18th. The crisis of this
period will fall from about Satur-
day the 18th, to Tuesday the 21st,
the storms centering more decided-
ly on and touching the 20th. Look
for startling and continuous displays
of lightning throughout the night
at this period, and most likely for
many days of the month.

The 23rd, 24th and 25th are
central dates of a reactionary
storm period. On these days there
will be increased tendencies to de-
cided storms—higher temperature,
falling barometer, growing humid-
ity, all followed by storms of wind,
rain and thunder. Change to
westerly winds, rising barometer
and fair, cooler weather will come
in from the west and north as the
storm areas pass off to the east-
ward.

June comes to its close in the
midst of a regular storm period.
This period is central on the 29th,
reaching from the 27th to July the
2nd.

In the nature of things, June will
bring many showers and some
general, hard rains, to most sec-
tions, but the rain falls will prob-
ably not come up to the average,
taking the country as a whole.
This means, of course, that some
sections will have a shortage of
moisture before the close of the
month.

Why Pills Gripe.
Just because they contain harsh
and drastic drugs, often in such
modesty they violent. In need of
a laxative, you will obtain satis-
factory results by taking Dr. Caldwell's
(Laxative) Syrup Pepsin, a
"corrective," not a "cathartic."
Its action is gentle, it
assists nature to put the stomach
and bowels in normal condition and
never sicken children, as well as
grown people, love it for its pleas-
ant taste. The soothing action of
the pepsin makes the "corrective" pro-
cess perfect. Try it and you will
wonder why you never have before.
All druggists sell it, 25c, and 45c
bottles.

Dr. Almon Wilks, of Jamaica,
Va. writes: "We have been using
Dr. Caldwell's Syrup Pepsin for some
time, and find it far better than
any other laxative we have ever used.
It is so gentle and we tried many different
ones."

R. F. Foster contributes another
of his prison stories to the June
McClure's, in "The Red Ribbon,"
and a corking good story it is. Mr.
Foster tells the story of a girl's
heroin and a convict's reformation
or love's sake, of pathetic faith and
devotion, and kind redemption in the
good prison which both have
passed and suffered. It is help-
ful, instructive, and most ab-

WHO GETS MOCHA COFFEE?

Most of It Taken by Sherks and Gov-
ernors of Arabia—Little Is
Ever Exported.

"I don't believe there is a
pound of genuine Mocha coffee on
this continent," Mr. C. T. Hilli-
glas, a coffee merchant, informs
me, says a writer in the St. Louis
Dispatch. "For that 300 people
in this country have ever taste-
ed it, unless they have at some
time visited Arabia and drunk it
at the table of some sheik or gov-
ernor."

"The true Mocha is the finest
coffee grown; it has a delicious fla-
vor that makes it as superior to
the very best of other brands as
milk is superior to cotton, but the
crop is extremely limited, and
hardly ever more than satisfies
purely local demands. Some
Arabian coffee may find its way to
this country; it may even be called
Mocha, but it is not the real article.
I am sure, and none of us has
ever had it here, though we get the
best of other brands that are
grown in Ceylon and Java, and
that means some mighty fine coffee.
It is not Mocha, however, for
the whole of the true Mocha crop
each year wouldn't supply the coffee
demands of one ward in St.
Louis alone for a period of six
months. The best and plumpest
berries of the Mocha growth, those
with the most exquisite
flavor, are eagerly taken by
the governors and sheiks in the
vicinity, and they have cut their
orders in in advance, so that they
may be sure of their annual supply.
The second grade berries go to
the governing class, and the third,
or poorest, grade of berries, which
are not much superior to the best
Java coffee, are sold to the people,
and the demand invariably ex-
ceeds the supply."

"Sometimes a few pounds of
this cheapest grade of Mocha finds
its way to Constantinople, but it
is very, very seldom, and I don't
believe an ounce of it has ever got
any further west than that. I pre-
sume that if by some hook or
crook, a pound of the real, plum-
beried Mocha were landed in this
country it would sell for a price
that even a Rockefeller might be
glad to pay. We get the best of
free given stuff from the Mocha
but the 'low' quality of which is
sold at such a low price, raised
prohibitively from shipping any
and I hardly think the real thing
will ever be found in our markets."

POPE A GREAT FAVORITE
Has Been a Pulpit Orator of Renown,
from Very Outset of His
Priestly Career.

One recalls, writes William J.
D. Croke, in Century, those mov-
ing spectacles which, as con-
dinal, he delivered, weeping in the
conclude, setting forth all his im-
perfections, his sins, even, and the
disadvantages of his career
from barefooted boyhood up, but
which really seemed him the
throne, and the stories of him
which every one knows in Lon-
don and Venice. For no eccle-
siastic can have loved more widely
known than he. A pulpit orator
of renown from the very outset
of his priestly career, the soundest
after panegyric of great ac-
tions when he took possession
of his title as cardinal: "No one
had spoken so well as this
cardinal." A country assistant,
then parish priest, then professor
in the seminary of Treviso, canon,
chancellor of the diocese, great
bishop of Mantua, the successor
of St. Mark, a venerable name to
know him, and no one has any
remembrance that is not pleasant.

Developed by Nature.
When the petals of the great
laurel magnolia are touched,
however lightly, the result is a
brown spot which develops in a
few hours. The petal is taken
advantage of by the South Ameri-
can lover who puts a magnolia
flower on one of its pure
white petals writes a motto or
message with a sharp-pointed pen-
cil. Then he sends the flower, the
yellow lady puts it in a vase of wa-
ter, and in three or four hours the
message written on the leaf be-
comes perfectly visible, and re-
mains so.

Charity.
There is too much charity in this
world—for worthless people.—
Chicago Daily News.

A PROBLEM IN SAVING.

Suppose a man who has accumulated three hundred dollars in
savings by putting away one dollar each day begins to draw out
two dollars at night for each dollar he puts in the bank in the
morning, how long will it take until his money is entirely gone?
That's a problem of figures. Here's a problem of fact. If a man
uses up in a day twice the strength
which food supplies his body has built
up before he becomes bankrupt in health.
That problem can't be figured exactly,
but the result is absolutely sure—physical
bankruptcy.

When the normal supply of food
eaten does not keep up the normal
strength there must be a loss, from some
cause, of the nutrition contained in the
food eaten. The common cause of this
loss and its resulting weakness is dis-
ease of the stomach and other organs
of digestion and nutrition. Dr. Pierce's
Golden Medical Discovery cures dis-
eases of the stomach and digestive and
nutritive tract. It restores strength by
changing the perfect digestion and as-
similation of food, which is the only
source from which strength can be sup-
plied to the body.

"I cannot express my gratification in words.
I had been suffering from indigestion so badly
that I could not work more than half the
time," writes Mr. Victor L. Hayden, of Black-
stone, Nottoway Co., Va. "Now can work
every day and eat anything I want. Why?
Because I took Dr. R. V. Pierce's Golden Medical Discovery. It has put
new life and energy in me, restored my health and made a man of me once
more. I used to weigh 170 but had gotten down to 144, now am back to 160
and will soon be back to my old weight if nothing happens. Your medicine
has done it all. I cannot thank you enough for your advice."

The People's Common Sense Medical Adviser, a book containing
1008 pages, is given away free to every one who sends a
stamp for expense of mailing ONLY. For the book in paper covers, or

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of *Dr. J. C. Ayer* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is Pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. It cures Diarrhoea and Wind Colic. It relieves Teething Troubles, cures Constipation and Flatulency. It assimilates the Food, regulates the Stomach and Bowels, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

Kendrick-Runyon Tobacco Warehouse Co.,

Clarksville, - Tennessee.

We beg to inform planters and the trade generally that the QUEEN CITY TOBACCO WAREHOUSE

has been put in order, and with excellent facilities, again opens its doors for the sale of

LOOSE TOBACCO ON THE FLOOR.

Light Weights or in Hogheads, or as our friends may prefer to sell. We invite the patronage of the thousands of our friends, who so liberally patronized us the past season, and earnestly solicit a trial shipment from those who have not so far.

We have Good Quarters for Teams and Drivers in the Warehouse. That the marketing of Tobacco on the open markets, by concentrating the demands, will bring better results to sellers, is self-evident truth. Public meetings, stenographers, typewriters and their offspring "Resolutions," cannot be better conditions. But, united determination on the part of planters to offer their Tobacco on open markets to the highest bidders will bring face to fact every known demand for Tobacco. Help us to sell your tobacco for good prices by patronizing open market's. It stands planters in hand to think of this.

LITTLE BIRD IS A FIGHTER.

Sparrows Fear Attack from the Diminutive Humming Bird—Take Refuge in Flight.

The English Sparrow, noted for its pugacity, is not at all afraid of its diminutive enemy. It has been noted near the city of London, that the English Sparrow, when it is in the act of fighting, it is not at all afraid of its diminutive enemy. The familiar principle of physics that the striking power of a body in motion is equal to its weight multiplied by its velocity is the secret of the humming bird's superiority over the sparrow. The humming bird's weight is small, but its speed is high, and its buzzing has genuine terror for its larger enemy.

The uneasy cries of a sparrow attracted the attention of an observer the other day, who presently discovered the sparrow sitting well up in a pine tree. Just within a foot of the frightened bird buzzed a humming bird, its misty wings and keen beak suggesting a tiny aerial ram in flight and bent on puncturing some greater craft in the nest.

The sparrow stood its ground until the hawk seemed about to pierce its breast, and then it fled with the angry little humming bird in hot pursuit. The humming bird soon returned, apparently having given up the chase, possibly because it had driven the enemy far enough from the nest.

STORY OF A PARIS CABMAN.

Traveled All the Way from French Capital to Ocala to Collect Fare Due Him.

A story is told to-day of a Paris cabman who, it is alleged, followed an authentic English lord in the train to Calais, leaving his horse and cab outside the Gare du Nord terminus, says the London Daily Telegraph. The lord took the cab at his hotel, and told the driver to go as quickly as possible to the station for the Calais express.

At the terminus the nobleman tendered the cabman a 100-franc note, which the cabman could not change. "Wait a bit," said his lordship, "I'll pay you at the ticket office."

Cabby went with the nobleman into the station, but when the ticket was taken the lord, hearing the words "Express Calais en voiture" rushed wildly to his carriage, followed by the driver.

Lord Blank had just time to take his seat when the train started, and cabby, who had also entered the express, was whirled away to Calais town. En route he was paid by the nobleman, who also defrayed the cabman's journey to the north and back.

On returning to Paris cabby found that his horse and vehicle were impounded.

INCREASE IN CREMATATIONS.

Practice Is Slowly Gaining in Favor in Germany and in Other Civilized Lands.

The practice of cremating the dead is slowly gaining favor in Germany, as well as in other civilized lands. A report from a German newspaper declares that an application is now pending for permission to erect a crematorium in Strasburg. Should this be denied, the establishment will be located in Kehl, on the other side of the Rhine. Two crematoriums have been built in the grand duchy of Baden—one at Heidelberg and another at Mannheim—and a third is being constructed at Karlsruhe. Since the erection of the crematorium at Heidelberg there have been 1,320 cremations. During the year 1903 there were 146 cremations—43 from Heidelberg, 21 from Stuttgart, 12 from Karlsruhe, nine from Munich, five each from Frankfurt and Heilbrunn, four from Baden-Baden, two each from Darmstadt, Freiburg, Landau, Ludwigshafen, Pforzheim, Straßburg and Wiesbaden, and 33 from other cities and villages.

The Blind May See.

Dr. D. Garfield's Eye Remedy cured hundreds in Tennessee who were nearly blind with sore eyes, granulated eyelids, watering, itching, burning, inflamed eyes, and wild hairs. Many had scars or pterygia on their eyes, could not see their way, were given up by doctors as incurable after paying out hundreds of dollars. Call or write for free sample, and you will be convinced that you can be cured. No matter how severe your case is, nor of how long standing, address Dr. D. Garfield, 409 1/2 North Summer Street, Nashville, Tennessee.

A TAILOR'S BACK.

It's Like Other Bad Backs in Hopkinsville. Relief is at Hand.

It is not at all unusual for a man to have a bad back, and it is not at all unusual for a man to have a bad back. It is not at all unusual for a man to have a bad back, and it is not at all unusual for a man to have a bad back.

Edo J. Duncan, merchant, 111 W. 7th St., living at 119 East 18th St., says: "Backache is by no means an enviable companion for anyone who follows my occupation. It is extremely uncomfortable to remain in a sitting posture long and an aching in the small of the back makes such work a continual torture. I suffered in this way, off and on for years, and it is no wonder that I heartily wished that I might find something to bring me even the least relief."

I first noticed Doan's Kidney Pills through reading papers sent me from my native country, England, and was impressed with the merits of this remedy and when soon afterwards I noticed similar local advertisements I went at once to Thomas & Trabern's drug store and got a box. I had used them for a short time when I found that I had procured the right remedy. The headache which had so distressed me left and the pains in my back were relieved. I am convinced from my experience that Doan's Kidney Pills are a wonderful remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

DECLINED THE HONOR.

Dr. Day, One of the Newly Elected Bishops, Resigns.

Los Angeles, Cal., May 24.—The most sensational episode of the Methodist General Conference was the resignation yesterday of Dr. James K. Day, Chancellor of Syracuse University, of the office of Bishop, to which he was elected a few days ago. In a carefully prepared statement, he said that he felt that he must return to the work of Christian education. "It has come to me within the past twenty-four hours as never before that I am not at liberty to lay aside the experience and discipline which ten years have brought to me in this work."

DAMAGED BY FIRE.

Mr. Vanhanser's Store Narrowly Escapes Total Destruction.

Mr. Henry Vanhanser's grocery, in the Nord block, North Virginia street, was discovered on fire Friday night about 11 o'clock. The flames originated in the interior of the building, which was closed about 9 o'clock. The fire department was on hand in a very short time after the alarm was given and soon had the fire under control. The loss is about \$300 and is covered by insurance.

PARTY OF SIXTEEN.

With Hopkinsville Chaparone, Visits Empire Mine.

A lively party of sixteen, chaperoned by Mrs. Geo. Kolb, visited the New Empire Coal mine last Monday. But those young men who stood and saw the train pull out when their young lady friends had not arrived in time to take the train had quite a forlorn look and Messrs. Tuggle, Thomas and Mason could be heard (dis)gussing when they found that they had to drive through a distance of 16 miles.

Dr. S. H. Williams, of Crofton, had elegant refreshments for the party and with the lunch the young ladies had prepared the Parson did justice tho' he missed the fried chicken that the party had that got left.

Dr. Anderson was very kind in showing the party through the mine by having hay placed in the coal car to ride on drawn by a tandem of dokeys.

The others in the party were Misses Elizabeth Garnett, Kate Quick, Kate Manson, Daisy Williams, Lizzie Tyler Moore, Essie Day, Lizzie Belle Williams, Elizabeth Pusey, Messrs W. S. Wade, M. E. Boyd, and Rev. H. C. McGill.

All were delighted with the ride on the launch, refreshments, ride on the engine, ride thro' the mines and kindness of Drs. Anderson and Williams. FRESHLY.

DAVID AND GOLIATH TO DATE

Through this Giant Trust, the International Binder Trust looks threatening and dangerous to the farmers, yet if they will only stand by the

OSBORNE,

Which is not in the trust, the International will go to pieces in one more season. David will do up Goliath. Don't listen to the false statement that the Osborne is in the trust. If it were, its makers would not allow us to fight the trust. We would have to let up or lose the agency. Such statements are ugly. The meanest thing that can be said about a machine is that it is in the trust. The fellows whose binders are in the trust are like the fox that had his tail cut off. The Osborne is fighting the trust from Maine to California and will win.
